

STAFF TRAVEL RESTRICTIONS_{v3}

WINTER 2011/2012

This is your guide to the restrictions on the use of free and privilege staff travel facilities. Please bear the following notes in mind when planning your journey as these will assist you in getting the best out of your concessions.

- Trains shown in the passenger timetable with U or S stops cannot be used for either alighting or joining at the stations designated.
- If a booking system is in operation buy your privilege tickets in advance before boarding the train. Failure to do so will mean you will be charged the standard single fare for the journey as you will not be able to purchase a privilege ticket on the train.
- If you wish to use a sleeper service, book as early as possible. Only a limited number of reservations may be available for staff travel on each service and this can sometimes be reduced if demand is high.
- If you wish to travel on a train marked with the symbol **R** in the passenger timetable you must obtain a seat reservation. This will be issued free of charge to ticket holders. On those services designated **R** seat reservations are strongly recommended (a fee, where applicable, will be payable).

- (iii) Active staff and dependants must not make First Class seat reservations on any East Coast trains, Mondays to Fridays. Also, no Standard seat reservations can be made from Peterborough or Stevenage to London arriving before 09.40, nor from London to Stevenage or Peterborough 16.25 – 18.05 inclusive, Mondays to Fridays.
- (iv) First Class free travel facilities holders may partake of complimentary tea, coffee, soft drinks and biscuits and savoury snacks on East Coast services. However, regardless of the type of free First Class staff travel facilities held, acceptance of complimentary food or alcoholic drinks is not permitted unless a catering voucher has been purchased in advance from the on-board café bar before accepting the complimentary food and drink offer. Note the offer can only be purchased from the café bar and not from the crew in First Class, nor the guard, and in all cases the voucher should be handed to the member of the on board crew before ordering or accepting food or drink.
